MINE WORKERS JOIN NEW LOCAL UNION

COMMITTEE APPOINTED TO CONFERENCE WITH OTHER LABOR ORGANIZATIONS

The Tonopah Mine Workers' local union held a largely attended meeting last evening in Miners' Exchange hall. There were about 75 new members enrolled. The meeting discussed the proposed request for a flat raise of fifty cents a day for all workers in mines and mills, in view of the appreciation in the price of silver and the increased cost of living.

No definite action was taken in the matter, the business of the meeting being primarily to gain accessions to the membership. A committee was appointed to interview the various trades unions of the city, to report back at the next meeting. At the same hour the Machinists' union held a meeting in Musicians' hall, on St. Patrick street, but no report of the proceedings has yet been given out.

The report that the W. F. M., No. 121, had dissolved was erroneous. It still retains its charter, which was granted in June, 1901. The W. F. M. and local mine workers' union are reported by a member of both to be working in harmony. At the meeting last night there was perfect unanimity. It was hoped and expected that a most satisfactory understanding would later be reached with the Mine Operators' association.

FRANK MEYER HAS GOOD CHANCE FOR RECOVERY

The condition of Frank Meyer is materially improved today and he is much stronger, he having slept well last night. Dr. George Mackenzie, the noted surgeon, who was called here in consultation with Drs. Grigsby and Church, returned to Reno this morning, confident that it would not be necessary to remain. He says that unless unforeseen complications develop Mr. Meyer will recover from his frightful injury. In speaking of the manner in which the case was handled by Drs. Grigsby and Church, he said: "A remarkable case and a remarkable operation."

NEW YORK, Oct. 21.—Suit to recover \$150,000 insurance money on the life of Alfred Gwynne Vanderbilt, drowned when the Lusitania was torpedoed, was begun here yesterday against the Travelers Insurance company by Frederick W. and Reginald C. Vanderbilt, and the other executors of the will.

BUTLER THEATER

Ralph Herz, the star of "The Soul Kiss," "Ruggles of Red Gap," "A Pair of Sixes," and many other notable productions, will be seen at the Butler this evening in "The Purple Lady," a five part Metro Wonderplay, pictured from the stage success of the same name by Sydney Rosenfeld. Dainty and fascinating Irene Howley is featured with Mr. Herz in this production and there is a strong supporting cast, including Alan Hale, Howard Truesdell and other well known stage and screen artists. There are many scenes of interest in this production, including situations staged at Coney Island during a holiday celebration, and scenes photographed in a famous restaurant on Broadway. The picture is full of big surprises and bigger laughs.

And we also have a good one for the kiddies. This time it is a two reel juvenile comedy entitled "Chips Carmen." All the actors in this picture are children, and the little folks are sure to enjoy it; also the big ones.

Tomorrow, a Paramount-Bray cartoon comedy, and Pauline Frederick in "Audrey," from Mary Johnston's celebrated play and novel.

CLEVER BIT OF SCULPTURE

During his idle hours, Bob Williams has for some time past been engaged in an intricate and beautiful bit of sculpture, which is now completed and is on exhibition in the Bank saloon. It is a clock tower, carved out of native white tuff. The tower belongs to no particular school of architecture, but is a pleasing combination of many types. It contains an eight day clock, over which is an Elk emblem. A miniature map of Nevada surmounts the tower.
